You will love this recently remodeled, and tastefully decorated doll house that boasts a tremendous view of Big Rock Mountain, as well as the Big Rock Lake in the same scene. This home is equally suited as a full time, or a weekend residence, it is currently doing very well on the weekend rental program Located in the sought-after, and very quiet Big Rock Mtn Colony. This is a perfect place to unwind and take in the serene views. It is a super location, out in the country but within 15 minutes to Pickens. On the main floor you will find an open floor plan with a large screened in porch, plus 2 bedrooms, downstairs the Large Master Bedroom and master bath awaits, plus a family room, as well as the laundry room. The home is in move-in condition and ready for someone to enjoy life in the foothills of the upstate. There is a small dock in place to access the lake.
